Discussion and agreements:

- To begin, we decided that we would have this week's meeting on this Sunday for the upcoming week, as we are all extremely busy and want to just get a plan going and start getting stuff done.
- We also discussed that since the next few weeks are going to ramp up for all of us that we want to just get everything done for this class so we will be working hard to get stuff done.
- We plan on getting done with D7 and D6, alongside the complementary activities and the in-class activity 6.
- We all discussed how busy we are going to be but we are trying our best to make things work smoothly.
- We also discussed how we thought we were a solid team and are satisfied with how things are currently going.

Some goals we have for upcoming weeks:
